## §1304.5 Removal of unauthorized, unsafe, and derelict structures.

If, at any time, any dock, wharf, floating boathouse, nonnavigable houseboat, outfall, or other fixed or floating structure or facility anchored, installed, constructed, or moored under a license, permit, or approval from TVA is not constructed in accordance with plans approved by TVA, or is not maintained or operated so as to remain in accordance with such plans, or is not kept in a good state of repair and in good, safe, and substantial condition, and the owner or operator thereof fails to repair or remove such structure (or operate or maintain it in accordance with such plans) within ninety (90) days after written notice from TVA to do so, TVA may cancel such license, permit, or approval and remove such structure, or cause it to be removed, from the Tennessee River system and/ or lands in the custody or control of TVA. Such written notice may be given by mailing a copy thereof to the owner's address as listed on the license, permit, or approval or by posting a copy on the structure or facility. TVA will remove or cause to be removed any such structure or facility anchored, installed, constructed, or moored without such license, permit, or approval, whether such license or approval has once been obtained and subsequently canceled, or whether it has never been obtained.
